

CONDITIONS - EXHIBIT B
SUB2015-00030 / Meglasson / COAL 15-0074

1. This adjustment may be effectuated by recordation of a parcel map or recordation of certificates of compliance.
2. If a parcel map is filed, it shall show:
 - a. All public utility easements.
 - b. All approved street names.
 - c. A tax certificate.
3. Any private easements described in the title report must be shown on the parcel map, with recording data.
4. When the parcel map is submitted for checking, or when the certificate of compliance is filed for review, provide a preliminary title report to the County Engineer or the Planning Director for review.
5. All conditions of approval herein specified are to be complied with prior to the recordation of the parcel map or certificates of compliance which effectuate the adjustment. Recordation of a parcel map is at the option of the applicant. However, if a parcel map is not filed, recordation of a certificate of compliance is mandatory.
6. The lot line adjustment shall not be finalized until the new land conservation contracts have been approved and are ready for recordation. The parcel map or certificates of compliance shall be recorded simultaneously with the new land conservation contracts.
7. The parcel map or certificates of compliance shall be filed with the County Recorder prior to transfer of the adjusted portions of the property or the conveyance of the new parcels (and simultaneously with the new or amended land conservation contracts).
8. In order to consummate the adjustment of the lot lines to the new configuration when there is multiple ownerships involved, it is required that the parties involved quitclaim their interest in one another new parcels. Any deeds of trust involving the parcels must also be adjusted by recording new trust deeds concurrently with the map or certificates of compliance.
9. If the lot line adjustment is finalized using certificates of compliance, prior to final approval the applicant shall prepay all current and delinquent real property taxes and assessments collected as real property taxes when due prior to final approval.

ATTACHMENT 2

10. The lot line adjustment will expire two years (24 months) from the date of the approval, unless the parcel map or certificates of compliance effectuating the adjustment is recorded first. Adjustments may be granted a single one year extension of time. The applicant must submit a written request with appropriate fees to the Planning Department prior to the expiration date.
11. All approval timeframes for lot line adjustments are measured from the date the Review Authority approves the lot line adjustment, not from the date a time extension request may be acted on.
12. Record a Restrictive Covenant to provide access to Parcel 1 over Parcel 2 or in the alternative provide evidence of an access easement from Tucker Canyon Rd to Parcel 1. The Covenant or access easement shall be recorded prior to or concurrent with recordation of the Lot Line Adjustment.
13. Record a Declaration of Restrictive Covenant or access and utility easement to provide access and utility service to proposed Parcel 1 over proposed Parcel 2 or in the alternative provide evidence of an access and utility service easement from Tucker Canyon Rd to Parcel 1. The Covenant or easement shall be recorded prior to or concurrent with recordation of the Lot Line Adjustment.
14. All new parcels shall be provided with a minimum 24-foot wide private access easement to a public road. Additional easement width shall be provided as necessary to contain all elements of the private access roadway prism. The easements may be created by parcel map, grant deed, or restrictive covenant.
